

Summer and Fall Semesters Enrollment Continues at SWOSU

02.12.2014

Enrollment continues for students who want to take summer or fall semester classes on the Weatherford and Sayre campuses of Southwestern Oklahoma State University.

Students classified as sophomores can begin enrolling this Monday, February 17, and freshmen can enroll Monday, February 24. Seniors and juniors are currently enrolling for the upcoming semesters.

Bob Klaassen, interim registrar on the Weatherford campus, said online enrollment is available through the SWOSU web site (www.swosu.edu). In order to use the online enrollment system, a student must already be fully admitted to the university, must have completed 30 credit hours, and must have no unresolved issues related to their enrollment.

Freshmen with less than 30 credit hours must schedule appointments with their academic advisor so that they can enroll with assistance.

Summer classes begin Wednesday, June 4, and the fall semester begins Wednesday, August 20, at SWOSU.

Additional information about enrollment is available by calling the SWOSU Registrar's office in Weatherford at 580.774.3777 or the Sayre Registrar's office at 580.928.5533.
